

TechLab: Teen Workshop Registration

Jul 24 - Jul 27

Monday – Thursday from 9:00 am – 3:00pm

Join fellow science and engineering enthusiasts to try out new things and revisit some old favorites. Help us plan for the camp activities by putting a check next to the topics that sound interesting to you!

- underwater photography**
- programming sensors (like Raspberry Pi)**
- underwater robotics**
- meeting scientists & researchers**
- making digital videos and photos**
- listening underwater using a hydrophone**

What else would you like to do in the workshop?
