

Loyal donors and volunteers have helped steward Feiro Marine Life Center for over four decades.

They champion our mission that connects community and environment by providing local marine and watershed learning experiences and increasing awareness of how closely connected and interdependent we are. This commitment and past stewardship for Feiro Marine Life Center has made all the difference in keeping important work going through many challenging times and enabling thousands to continue to celebrate the wonder of our waters. We are further growing that commitment and invite you to join Feiro Ocean Leaders.

Long-time Feiro volunteers and donors Merrie Jo and Thad Schroeder give each month as inaugural members of our Feiro Ocean Leaders Stewards. They say, *“Supporting Feiro on an annual basis gives us a sense of being an active participant in their stewardship of the marine environment. It is our hope that with our ongoing support Feiro can continue their mission of education and outreach.”*
